How To Get To Mustangs Plus

We are always receiving calls from an out of state customer who says that they are going to be in San Diego or Los Angeles for a few days and want to come visit Mustangs Plus while they are in California. As you can see by the map, we are 350 miles North of Los Angeles and 450 miles North of San Diego! Not exactly an afternoon drive! On the other hand, we also get calls where an out of state customer has been in Sacramento and thought we were in the Los Angeles area so they didn't stop. In either case, we hope the map and the directions below will get you to Mustangs Plus the next time you're in the area.

From Sacramento on I-5 - Take I-5 South to Eight Mile Road. Turn left on Eight Mile Road (East) and go approximately 5 miles to Highway 99. Take Highway 99 South. Follow the From Sacramento on Highway 99 directions below.

From Sacramento on Highway 99 - Stay in the right hand lane and take the Wilson Way exit. Proceed through the next 3 traffic lights. Mustangs Plus will be on the right hand side of the road 1/4 mile past the 3rd traffic light (Sanguinetti Lane).

From Los Angeles on I-5 - Stay in the right lane and take the Downtown Stockton freeway (Highway 4 East) to the Wilson Way exit. Turn left on Wilson Way. Mustangs Plus will be on the left hand side approximately 2 miles from the freeway exit. Bradford Street will be the last traffic light you'll cross.

From Los Angeles on Highway 99 - Take the Cherokee Road exit and go back over Highway 99 to the first stop light, Newton Road. Turn right on Newton Road and proceed to the first traffic light which will be Wilson Way. Turn left on Wilson Way and go through the next 2 traffic lights. Mustangs Plus will be on the right hand side of the road 1/4 mile past the 3rd traffic light (Sanguinetti Lane).
